"Mind Over Matter"

There is an expression we hear quite often – it is "Mind Over Matter." There is a degree of truth to this because every battle that takes place in life is waged in the Mind. If we lose in the Mind, we will lose in life because we win or lose in the Mind.

Our minds have two compartments to it - the Past and its Imagination. If our memories are greater than our dreams then our future will be affected. So, don't allow the past to control the future!

Our Minds control our behavior. Whatever we think we are will always be acted out in our lives. It is necessary to picture ourselves the way God sees us. Our behavior will not change until we see what God sees in us. Our self-portrait will determine our self-conduct.

- God sees you as a person of worth. Christ did not die for people who were worthless. You are created in the image of God.
- God sees in you what you cannot see. He wants to take you to where you have never been before.
- God planted the Seed of your future in you. We see it as a seed but God sees that Seed will bring forth a Tree, a Bud, a Flower and finally a Fruit. Whatever happens in your Mind will happen in time. So ask God to show you a picture of your future in your Mind.

Remember that your Expectations bind you to your future! Don't give up before you reach your full potential.

Whatever happens in the Mind will happen in Time. Ask Job! He says: "The thing I feared most (in his Mind) has come upon me."

The Bible says: "Let the Mind of Christ be our Minds."

Have a blessed week! See you in church Sunday. I will be preaching on ***"Reflecting on the Long Hand of God's Goodness"***
